Operations Set-Up & Teardown – Volunteer Sign Up

We rely on volunteers to make our annual festival amazing, and we hope you can help!

Set-up includes placing chairs & tables in different areas and tents, taking area-specific items to tents, setting up VIP parties, covering tables, etc. Teardown includes breaking down the festival grounds, staging and loading to remove all items from the festival grounds.

Please indicate dates and times you are available, then mail or email this form back (*address listed below*). Ask your friends and family if they can help, we would appreciate it!

We will confirm with you once form is received

If you cannot work a full shift, write down what you are available for
